New York Giants' First Baseman JUHNSON ISSUES Tenney Snapped While In Action

It is a matter of baseball history that New York and Chicago fought the most remarkable battle for league supremacy in the final series of 1908 that has ever been played. Chicago won by but seen points over New York and Pittsburg, who were tied for second place. To increase the rivalry between the Chicago Cubs and the New York Glants the two teams broke even in victories over each other during the year—each beating the other eleven times. In the great race New York made, Tenney, the first baseman, contributed ten runs, the greatest number of individual runs made by any individual player in the entire National league season of 1908.

MUCH DEPENDS ON HEAVYWEIGHT MILL WARREN GOLF PLAYERS

July 5, which seems probable, much will depend on the result. If Johnson wins he will go ahead with his fight with Ketchel at Colma in October. with Ketchel at Colma in October, while if Kaufman is successful he will probably receive a challenge from the Michigan Lion and Sam Langford. But in that event it is believed Kaufman will compel Ketchel and Langford to settle their differences in the ring before agreeing to accept a challenge from either of them. Brady and Delaney have everything to gain and nothing to lose in pitting Kaufman against Johnson. Brady said the other day that the white man who defeated the negro would make more money than negro would make more money than any previous champion heavyweight of the world, not excepting Jeffries, Corbett and Fitzsimmons. It is pre-dicted that Kaufman and Johnson can draw nearly \$40,000 in gate receipts, and that the winner can secure theatrical engagements worth double

and a quitter.

TEAM NAMED TO TRIM

On Sunday a twenty-men team will come to Douglas from Histee to play a like team of this city a game of golf on the links of the Country club. This contest is attracting considerable attention in golf circles and the local team was chosen last night at a meeting of the sports and pastimes committee. The players chosen are among the best in the club. The last play between Bisbee and Douglas golfers resulted in a victory for Hisbee, but the local boys say that the result will be reversed next Sunday and after looking over the local team there will be none in Douglas to

theatrical engagements worth double that amount.

Johnson, it appears, begins to realize that he has lost much of the public's confidence because of als failure to keep his agreement to fight Sam Langford in London, and by reason of his recent poor showing in the six round bout with Jack O'Brien. He does not relish being called a coward and a quitter.

The team to be chosen to play on next Wednesday in the Tom Morris competition was not chosen last night, but will be selected later by the committee. This play will be made by the very best golfers in the city and while victory may hardly be expected, still the fact that Doug las enters in this noted contest will give to the city some widespread notoriety. toriety.

BOSTON, June 12.—Jack Johnson the world's champion heavyweight fighter, gave out the following statement tonight: "It is now conceded on every hand that Jeffries has been blufting the public about meeting me. I am ready to box every week in the

year if I am given my price for my services.

"I bar no man who has any right to challenge. I am ready to box Jeffries. Ketchel, Kaufman, Hart or any one else who wants to meet me. If Jeffries is looking for a match, why don't he come forward and say so?

"I want Jeffries to come out manfully and agree to cut out exhibitions and get down to business. I will ignore all others if he will sign to meet me, for I regard a match with Jeffries as the surest way of proving that I am in truth the world's champion."
